STYLE, ETHNICITY, AND CULTURAL IDENTITY

There is a tremendous literature on style and ethnicity in prehistory. I assume you all have some experience with this background. I have included readings here specific to stone tools.

READING LIST FOR OCTOBER 30, 2001
ANTH 228 - LITHIC TECHNOLOGY
+ denotes recommended, not required reading

Shackley, M. S. (1996). Elko or San Pedro?: Inferences from a quantitative analysis of Late Archaic projectile points from White Tanks, Yuma County, Arizona. *Kiva* 61:413-432.
